

*'Know Your Flow!'

2008 Water Conservation Poster Contest

The Scotts Valley Water District invites all 3rd-5th grade teachers to enter your students' artwork in the 1st annual Water Conservation Poster Contest. All public, private, and home-schooled 3rd-5th graders in Scotts Valley Water District are encouraged to participate.

The theme for our first annual water conservation contest is 'Know Your Flow!'. Below are some examples of the importance in knowing how water flows:

- ◆ Water in Scotts Valley comes from groundwater
- ◆ Our water supply is limited
- ◆ Water is used both indoors and outdoors
- ◆ Water flow is needed for all seasons
- ◆ There are many ways in which we can save water
- ◆ Conserving water is important for future flow

Prizes

The following prizes will be given for each grade level:

- 1st: \$100 US Savings Bond
- 2nd: \$75 US Savings Bond
- 3rd: \$50 US Savings Bond

Deadline to enter is **April 30, 2008**.

Guidelines for Artwork: Before beginning artwork, we suggest teachers talk to students about where our water comes from, our limited supply, why it is important to conserve, and how we can use water wisely. Encourage students to create a poster that illustrates one important point based on this year's theme, "Know your flow". Using fewer words is often more effective than more.

- 1) Posters can be drawn horizontally or vertically on 11" x 14" sheets of white poster board.
- 2) Students may use crayon, colored pencils, markers, poster paint, ink, fabric, cut paper, and/or water colors.
- 3) Only original artwork will be accepted. Computer generated drawings and reproductions of popular cartoon characters will be disqualified.
- 4) Posters will not be returned. They will remain property of Scotts Valley Water District.
