

Scotts Valley Water District

Water Conservation **AWARDS**

Now Accepting Nominations!

Do you know a person, family or business demonstrating exceptional commitment to saving water in Scotts Valley?

Nominate them today
for a Water Conservation Award!

Recipients of awards receive a \$200 gift certificate to Scotts Valley Sprinkler and Pipe Supply and are featured on the SVWD website.

Nominations must be received by March 31, 2010.

Scotts Valley Water District Water Conservation Awards

WHAT

Scotts Valley Water District Water Conservation Awards recognize businesses and residents who *show a commitment to conserving water in our community*. Award recipients receive an official recognition sign to be displayed at the residence or business location along with a \$200 gift certificate to Scotts Valley Sprinkler & Pipe Supply.

WHO

Nominees must be customers of Scotts Valley Water District. Customers can nominate and be nominated by other customers of Scotts Valley Water District. Employees of Scotts Valley Water District as well as other local government agencies may also nominate customers and be nominated themselves as long as they themselves are customers of the District.

WHEN

Nominations must be received by March 31, 2010. Awards consideration will occur this spring in honor of May as Water Awareness Month. Applications for Water Conservation Award nominations are available throughout the entire year at the District office and also at www.svwd.org. Award recipients will be chosen at the Water Resources Committee meeting immediately preceding the May 2010 Board Meeting. The recipients will be notified and invited to attend the May 2010 Board Meeting where they will be presented with the official recognition sign and gift certificate. Award recipients will also be announced in a press release and featured on the SVWD website.

WHY

Encouraging community participation is a fun and effective way to expand involvement in water conservation practices. During times of increased water restrictions it is important to recognize customers who are going above and beyond to save water.

Thank you for conserving!
