

EXHIBIT C

ORDINANCE NO. 74-83

AN ORDINANCE TO ADOPT WATER CONSERVATION
REGULATIONS PURSUANT TO THE PROVISIONS OF
SECTION 2.5.1 OF ORDINANCE NO. 68-82

BE IT ORDAINED by the Board of Directors of the
Scotts Valley Water District (Board), Santa Cruz County,
California, as follows:

WHEREAS, the Board adopted Ordinance No. 68-82 on
March 11, 1982, which provides authority in Section 2.5.1 to
adopt Water Conservation Regulations; and

WHEREAS, water is a finite resource that should
not be wasted; and

WHEREAS, it is imperative to the public well-being
that those uses of water which constitute waste or abuse of
the resource be prohibited; and

WHEREAS, it is necessary to conserve the water
supply of the Scotts Valley Water District for the greatest
public benefit and to discourage wasteful and unproductive
uses of water; and

WHEREAS, the Board has considered the proposed
Negative Declaration attached hereto and the comments received
during the public review period; determines that the project
will not have any significant effect on the environment and
that a Negative Declaration has been prepared in accordance
with the provisions of CEQA; and approves the Negative
Declaration.

6.2-6

NOW, THEREFORE, BE IT ORDAINED, that the Board
does hereby adopt the attached Water Conservation Regulations
as authorized by Section 2.5.1 of Ordinance 68-82.

Passed and adopted this 14th day of April, 1983,
by the following vote:

AYES: Directors Scothorn, Miles, Tetter, Dunkle

NOES: Directors None

ABSENT: Directors Snyder

Vice-PRESIDENT OF THE BOARD OF DIRECTORS

ATTEST:

Secretary to Said Board

A. The use of water from any fire hydrant unless specifically authorized by permit from the District, except by regularly constituted fire protection agencies for fire suppression purposes.

B. The watering of grass, lawn, groundcover, shrubbery, open ground, crops and trees, including agricultural irrigation, in a manner or to an extent which allows excess water to run to waste.

C. The escape of water through leaks, breaks, or malfunction within the water user's plumbing or distribution system for any period of time within which such break or leak should reasonably have been discovered and corrected. It shall be presumed that a period of forty-eight (48) hours after the water user discovers such break, leak, or malfunction, or receives written notice from the District of such condition, whichever occurs first, is a reasonable time within which to correct such condition or to make arrangements for correction.

D. The use of water for washing cars, building exteriors, mobilehome exteriors, boats, sidewalks, driveways, or other exterior surfaces, without the use of a quick-acting positive shut-off nozzle on the hose.

E. The operation of any ornamental fountain, car wash, or other such structure using water from the District water system, unless water for such use is recycled.

WATER CONSERVATION REGULATIONS
ADOPTED PURSUANT TO
SECTION 2.5.1

SECTION 1. - DECLARATION OF CONDITION

It is hereby found and declared that water is a finite resource and should not be wasted within the service area of the Scotts Valley Water District, and that it is necessary to prohibit and regulate water uses as provided in this Ordinance.

SECTION 2. - APPLICATION OF REGULATIONS

The provisions of this Ordinance shall apply to all persons using District water both within and outside the District Service Area, regardless of whether any person using water shall have a contract for water service with the District.

SECTION 3. - PROHIBITED WATER USES

The use and withdrawal of water by any person from District sources within the District for the following purposes is hereby prohibited:

Revised Ord. 74-83
Date APR. 14, 1983

11-50

F. The indiscriminate running of water or washing with water not otherwise prohibited above which is wasteful and without reasonable purpose.

SECTION 4. - DISCONNECTION

Any person in violation of the provisions of Section 3 who fails to take corrective action within forty-eight (48) hours after first written notification of the violation shall be subject to disconnection of water service.

SECTION 5. - NON-COMPLIANCE WITH REGULATIONS

Water service may be discontinued by the District for non-compliance with this or any other ordinance or regulation applicable to the water service and the District Manager is hereby authorized to terminate water service forty-eight (48) hours after written notice of the customer's non-compliance therewith. Water service will be reinstated under the terms and conditions of District Ordinances.

SECTION 6. - APPEAL TO THE DISTRICT BOARD

Should any applicant or customer be dissatisfied with the actions or decisions of the District Manager pursuant to the regulations or prohibitions herein set forth, said applicant may file an appeal of the decision of the District Manager with the Board of Directors of the District, which appeal shall be placed on the agenda of the District Board whose decision therein shall be final.
